EXPERIENCE

Food Service, Fire & Vice   2021 – Present

I'm charge of prepping ingredients for food preparation before serving and commencing orders for customers. Dishes are kept cleaned and washed regularly as well as picking up outside dishes from finished meals. I'm charge of commencing orders for out-of-stock items, making sure items are ordered correctly and arrived on time as needed. Placing ordered food boxes in a safe and clean storage area for future usage. Making sure after closing hours that food is preserved and sealed and kitchen area is cleaned before leaving.

Sales Associate, Fitness 19   2020

In charge of cleaning of cleaning equipment when opening the gym. The position included greeting customers and giving information about memberships when asked. Tours were given to customers as well as information about

membership packages that were included in joining. Was in charge of getting first time members personal training recommendations which was part of a paid subscription.

Sales Associate, Tilly's   2018 – 2020

Oversaw inventory, packaging, POS, cashier, customer liaison, restocking and delivered effective customer service. Performed early morning hours and clean and arranged equipment. Provided assistance to clients on phone regarding membership questions. Drove monthly, quarterly, and annual sales objectives.

- Maintained high levels of client satisfaction by providing great sales service.

- Determined needs of consumer and delivered support and information on product characteristics.
